## Rescheduling Games

- ✓ The appropriate Statistician must be notified of all game time changes.

## Games Stats

- ✓ Each home team is responsible for entering the game results within 3 days on the LCMHL web site ([www.lcmhl.ca](http://www.lcmhl.ca)).
- ✓ Game sheets must be filled out **completely** and **legibly**. Please include the game number on the game sheet in the header section (upper right hand corner).
- ✓ Game sheets are to be faxed to the appropriate statistician within **3 days** of the game's played date for verification on GoalLine. If not received, your home association will be issued a fine.
- ✓ Remember to use the **WHITE** sheet when faxing, as this copy is the most legible.
